

25X1A

25X1A

Note from  who called at 3:47.

25X1A

According to  the best we can tell is that it is on the current list of the treaty agreements.

According to Moser (State) who has been over there since 1972, he does not remember it being sent to the Ervin (?) Committee. There are three or four other channels that this could have gone through, however.
